The Mothers' Union Theme for 2016: "A Celebration of Faith"

2016 is a very special year for Mothers' Union as we celebrate 140 years of faithful service to families and communities. So we want to take every opportunity to celebrate the faithfulness of God to us through the years; the faithful witness of our members, past and present; and our determination to continue to trust in God for all that lies ahead for us in the future.

Mary Sumner House has produced themed resources to help us celebrate through the year. As we use these resources, may we be filled with gratitude for all that has been achieved thus far, in the name of Mothers' Union, and inspired with faith for all that God has for us in the future.

From the MU Web - Refugee Crisis - September 2015. . .

“Mothers' Union has the potential to help churches and communities right at the grassroots level maximise the support they can give – through prayer, through advocacy and through practical support” said Worldwide President, Lynne Tembey. “We recognise the complexity of the situations faced by governments across Europe in dealing effectively with this crisis both in the short and longer term, and they are much in our prayers. However, regardless of current government and EU policy, this is a situation which requires a heartfelt response from each one of us. We welcome the leadership and encouragement of the Archbishop of Canterbury, Justin Welby today, affirming that whilst our individual efforts may seem trivial, by working together we can resolve crises and make a difference.”

“Today I am calling on our membership across the world to make that heartfelt response. We have a long history of helping those fleeing persecution, conflict or violence. Whilst across many parts of the world: Africa, Oceania, and Asia, we are experienced in dealing with large-scale crises of this nature, it is many years since we have been faced by such a crisis in Europe. But our membership here, as across the globe, will, I know, have a heart to meet the humanitarian needs of families – both physical and spiritual. We are committed to playing our part in both the prayerful and the practical outreach of the Church.”

Mothers' Union has over 72,000 members in Europe, predominantly in Britain & Ireland, but including small branches within Europe of members who were themselves asylum seekers who fled conflict. Every year Mothers' Union across the world, most recently in developing countries, brings emergency relief to around 25,000 people through the provision of food, basic household provisions of blankets and sleeping bags, cooking utensils, water sanitation kits and following its affirmation on the 4th September that it is committed to supporting refugees, Mothers' Union membership has made a universally positive and heart warming response. Across the United Kingdom and Ireland, dioceses and branches have made contact with agencies preparing a coordinated approach towards receiving refugees in their local communities. Many are donating to appeals, such as that of Us who are coordinating the response activities on behalf of the Church in Europe. Members have also taken part in marches of support in London and Birmingham to date; engaged in activism and petitions towards local authorities, while others continue their existing activities to provide food and clothing for refugees and asylum seekers.

Prayers for the Refugee Crisis in Europe and the Middle East (from MU Web Site)

Lord Jesus, as a child, you fled from persecution; You have lived the fear, desperation, hunger, cold, and isolation that being a refugee brings. Bring comfort and peace of heart, Lord, to all those risking their lives to seek safety. Protect and guide their journeys, Lord.

“Faith, hope and charity, but the greatest of these is charity.” Father, bless those who see the plight of refugees, and who are meeting those needs.

For those who are exhausted, give them renewed strength;

For those who feel overwhelmed, give them courage;

For those who feel fearful, we pray for peace and compassion.

Lord, we want to hear your voice again, Guide us as we, as Mothers’ Union, reach out in your name to refugees both in Europe and the Middle East and those affected by conflict in South Sudan and Burundi, in Thailand and many other areas across the world. Bless the work of Mothers’ Union, and lead us, Lord, to fully play our part.

We thank God that our countries are blessed with resources. We uphold in prayer the governments across Europe and the Middle East, asking for wisdom for leaders to meet the needs of the most vulnerable. Father God, you are our place of refuge and safety.

We pray for you to help us at this time of need. Give us compassion combined with wisdom to meet need with the right resources. May our practical action be rooted in your love as we reach out as the hands of Christ. Amen

A Prayer from St Paul's Cathedral;

God, no one is stranger to you.

In your kindness look with mercy on those who today are fleeing from danger.

Watch over migrants, refugees and asylum seekers, those separated from their loved ones, those who are lost and those who have been exiled from their homes. Bring them safely to the place where they long to be, and help us always to show your kindness to strangers and those in need.

Bless the work of those seeking to bring them relief. Awaken compassion and urgency in governments and all whose decision making can make a difference and guide the nations of the world towards that day when all will rejoice in your Kingdom of justice and of peace.

We ask this through Christ our Lord, who too was a refugee and migrant who travelled to another land searching for a home. Amen

A Celebration of Faith: Prayers & Reflections

Loving Lord, We give you thanks for the far-reaching vision of our founder, Mary Sumner. We look back with gratitude and praise for her witness, and for all that has been achieved thus far in the name of Mothers’ Union worldwide.

As we look forward with faith for all that is to come, help us to build a future together which will enable our work to flourish; through far-reaching vision and commitment to your will.

Lord of all, unite us in our shared vision of a world where God's love is shown through loving, respectful, and flourishing relationships.

God of history and eternity, flood the eyes of our hearts with light to see your plans for our future. Help us to work together as one, united in vision and commitment to your will.

Together let us fix our eyes on Jesus, on whom our faith depends for all that lies ahead.

We thank you, Lord, for those who came before us, and spurred us on to acts of love.

For those who have encouraged us to strive to make vision reality.

We pray that in our turn we too will play our part in envisioning those who are following on, to continue to share the love of Christ and to build God's Kingdom on earth.

January May 2016 be a time for healing the conflicts worldwide.
