### Inspirational keynote speaker

The Archbishop of Canterbury's top advisor for 'Peace and Reconciliation', Canon Sarah Snyder, will be the

keynote speaker. Come and find out more about our global work on Peace and Reconciliation. This theme will be echoed throughout the day in discussions and presentations.

Open invitation to all

We are extending the invitation to all church members and friends. It is always a very interesting day. Please spread the word through your friends, for the opportunity to have a very enjoyable day out.

Where and when?

The Edinburgh International Conference Centre is one of the world's most outstanding venues for conferences and events which offers the very

best facilities. Located on Morrison Street, Edinburgh it is a short walk from Haymarket [tram and train](#) stations. Starting at 10.30am to 3.30pm. The seats cost £15 [on line](#), from the EICC. But come early as there will be stalls of souvenirs and displays to enjoy, plus wonderful catering. The catering is run by Leith's of the well known Leith's Academy. As a visitor said;

"I was a recent delegate to the FAB conference

June 2016. The EICC is among the finest disability accessible facilities I have ever seen. In addition, excellent, professional,

helpful staff and finally, fantastic food well done!!"

Come and stay for a night and attend one of our services followed by our fundraising ceilidh at the Roxburgh Hotel. A poster advertising our General Meeting is available [here](#) for printing. Please forward this newsletter on to a friend or two.

### Two St. Michael's Day services Friday 29th

We hope you will enjoy Evensong on Friday 29th September at our St Michael's Day annual services being held in [St Mary's Scottish Episcopal Cathedral](#), Palmerston Place and [St John's Episcopal Church](#), in the West End (corner of Princess Street). Starting at 5.30pm, these services will be graced by our new Primus of the Scottish Episcopal Church, The Most Rev Mark Strange, who is the youngest member of the college of Bishops. These services are ticketed, which can be obtained by printing off an application [form here](#) and putting in the post.
